### Farzad Ghasemzdeh

I am highly accomplished and Self-motivated Professional in international relations, network building and administration. I have great interpersonal and leadership skills which allow me to effectively lead and contribute in a dynamic and a multicultural team environment that adheres to process-oriented, configuration-managed development. Additionally I am highly qualified in teaching, education and academic research, with proven professional experience spanning over a decade, of which major experience was gained while working in foreign companies/organizations educational and training organizations of CIS and Western countries system .

I am committed and hard-working who always rises to a challenge. In addition to strong communication skills, I am team player who can also work independently. I demonstrate advanced problem-solving skills and thrive under pressure.

My leadership skills, drive, in-depth knowledge, experience and ambition ensure that I remain an invaluable asset to your organization.
